

UNITE **4** Horizon Europe

With the **Unite for Horizon Europe** Project, we aim to enhance the strategic engagement capacity between academics and small and medium enterprises (SME) representatives to jointly participate in the Horizon Europe initiatives.

Our Activities

- 1 Investigating into engagement needs and challenges** experienced by HEI and SME representatives as well as collaborative opportunities
- 2 Developing the Horizon Europe engagement-training programme and toolkit** to increase awareness, skills and knowledge capacity among academics and SME representatives
- 3 Pilot-Testing Horizon Europe Engagement** workshops among HEIs and SME representatives

Our Beneficiaries

The **SME representatives** will benefit from the experiences through the project activities (training series and events) and tools for self-learning published on the project website.

The **academics** will benefit from new and improved links with SMEs from different industries that will allow new collaboration pathways, be it in research or educational activities.
